Briefly state the nature and purpose of this experience and list the objective you hope to accomplish during the job shadow and interview

Question 1: What time does it start to get busy?

Response: She says it starts to get busy around 9am 11am just right before lunch.

Question 2: What is the most challenging part of your job?

Response: Every patient has a certain workout plan for their injury it is filled out like a form on the laptop and they have to describe how they feel and if they are improving to meet their goal. She has to set one up for every patient.

Question 3: Do you have other people that help you?

Response: She has four other girls that help her. Two are at the front desk to help set appointments for the patients and the other two are hands on help-ing Martha with the patients.

Question 4: How does she run her office?

Response: First she brings them in and they start on their first workout that they normally do for their certain injury and she then times the patient.

When their time is up they do another workout. After they are done with their workouts they ice.

Question 5: What kind of people usually come in for therapy?

Response: Mostly older retired patients. And patients that just had a surgery or right before they are going to have a surgery it all depends on the their doctor.

Question 6: Do you use the pool for therapy a lot?

Response: Yes we do a lot of patients use the pool later in the day though.

We recommend a lot of patients to do pool therapy because it is very helpful.

Question 7: How useful is your office equipment?

Response: She uses a lot of the office's equipment there is a lot of equipment

to choose and use to help out all of her patients she is very lucky to have all of that stuff.

Question 8: What do you like most about your job?

Response: She likes the patients and her workplace she is very comfortable

here at the Wellness Center. She came from Visalia office and she likes it here.

Question 9: Do you work a lot of overtime?

Response: She said not all the time. Patients have appointments of when

they are supposed to be at the office at a certain time like the doctors.

Question 10: **Why did you choose this career?**

Response: **She likes fitness and she likes to stay healthy and fit and she also enjoys helping other people, so she helps them get better.**
